Dear Consultation Committee,

Re : Governing Board Composition

The Governing Board of Sherbrooke Academy Senior has reviewed the composition of our Governing Board, and we would wish to remain at the number stated which is 5 parent members, 4 staff members, 1 daycare member and 2 community members. Upon review of the number of students at our school, we believe that the current composition of our Governing Board is appropriate for the size of our school.

Should you require any further information, please do not hesitate to reach out to me at sherbrooke_senior_gb@lbpearson.ca.

Sincerely,
